

AS-Trade Privacy Policy

This Policy describes how the AS-Trade mobile application may collect, use and share information from or about you and explains how the information may be shared or used.

Agreement to Policy

By using AS-Trade mobile application you agree to the collection and use of information in relation to this policy. The Personal Information that we collect is used for providing and improving the Service. We will not use or share your information with anyone except as described in this Privacy Policy.

Information Collection and Use

For a better experience, while using our Service, we may require you to provide us with certain personally identifiable information. The information that we request is will be retained by us and used as described in this privacy policy.

The app does use third party services that may collect information used to identify you.

Log Data

We want to inform you that whenever you use our Service, in a case of an error in the app we collect data and information (through third party products) on your phone called Log Data. This Log Data may include information such as your device Internet Protocol (“IP”) address, device name, operating system version, the configuration of the app when utilizing our Service, the time and date of your use of the Service, and other statistics.

Device Permissions

Depending on the User's specific device, this application may request certain permissions that allow it to access the User's device Data as described below. By default, these permissions must be granted by the User before the respective information can be accessed. Once the permission has been given, it can be revoked by the User at any time. In order to revoke these permissions, Users may refer to the device settings or contact the Owner for support at the contact details provided in the present document. Please note that the revoking of such permissions might impact the proper functioning of this application. If User grants any of the permissions listed below, the respective Personal Data may be processed (i.e. accessed to, modified or removed) by this application.

- **Calendar permission**

Used to display date specific data

Security

We value your trust in providing us your Personal Information, thus we are striving to use commercially acceptable means of protecting it. But remember that no method of transmission over the internet, or method of electronic storage is 100% secure and reliable, and we cannot guarantee its absolute security.

Changes to This Privacy Policy

We may update our Privacy Policy from time to time. Thus, you are advised to review this page periodically for any changes. We will notify you of any changes by posting the new Privacy Policy on this page. These changes are effective immediately after they are posted on this page.

Contact Us

If you have any questions or suggestions about our Privacy Policy, do not hesitate to contact us at support@armsoft.am. We will make every effort to resolve your concerns.
